Thanks. If I can attend in person, I will, but I know I have a meeting from 1-2pm that I cannot move.

Not sure, but let me check. We now anticipate possible participation from BASF, Syngenta and possibly a few other companies.

Will teleconferencing be an option? I may not be able to participate in person.

Subject: Monarch Meeting March 4th with US ag leadership

All:

Left you all voicemails, but wanted to follow up with an email as well- there will be a meeting on March 4th in DC bringing key Ag Sector leaders up to speed on monarchs and habitat improvement efforts. The goal is to explain the opportunity and necessity to pursue a partnership approach.

Anticipated Ag Sector participants include leaders from:

- American Seed Trade Association
- National Corn Growers Association
- American Soybean Association
- United Soybean Board
- US Canola
- American Sugarbeet Growers Association
- National Cotton Council
- National Association of Wheat Growers
- American Farm Bureau
- America Feed Industry Association

We invite you to participate as representatives from the Federal Agencies. We also anticipate having some other folks, such as Chip Taylor, Steve Bradbury and Sarah Alexander there too.

We anticipate the meeting will take place sometime between 1-4 pm on the March 4th, and will be in touch w additional detail soon.

Our request is whether FWS could present on the FWF funding initiative and plan?

Best regards,

Dan Jenkins
